Frameworks to be Promoted to Advance Regional Economic Cooperation in This Challenging Time

% = Share of respondents choosing as "very likely" and "likely"

Going Forward, What Kind of Resilience Should Regional Economies Pursue?

What Kind of Resilience

❖ Building blocks of resilience

1. **Diversification** for suppliers and markets
2. **Regional Cooperation** (e.g. APEC, ASEAN, CPTPP, RCEP)
3. **Rules-based multilateral trading system** (e.g. WTO)
4. **Interoperability** of rules and standards
5. **Track 2 Engagement and Multi-Stakeholder Dialogue**
